Hi there!

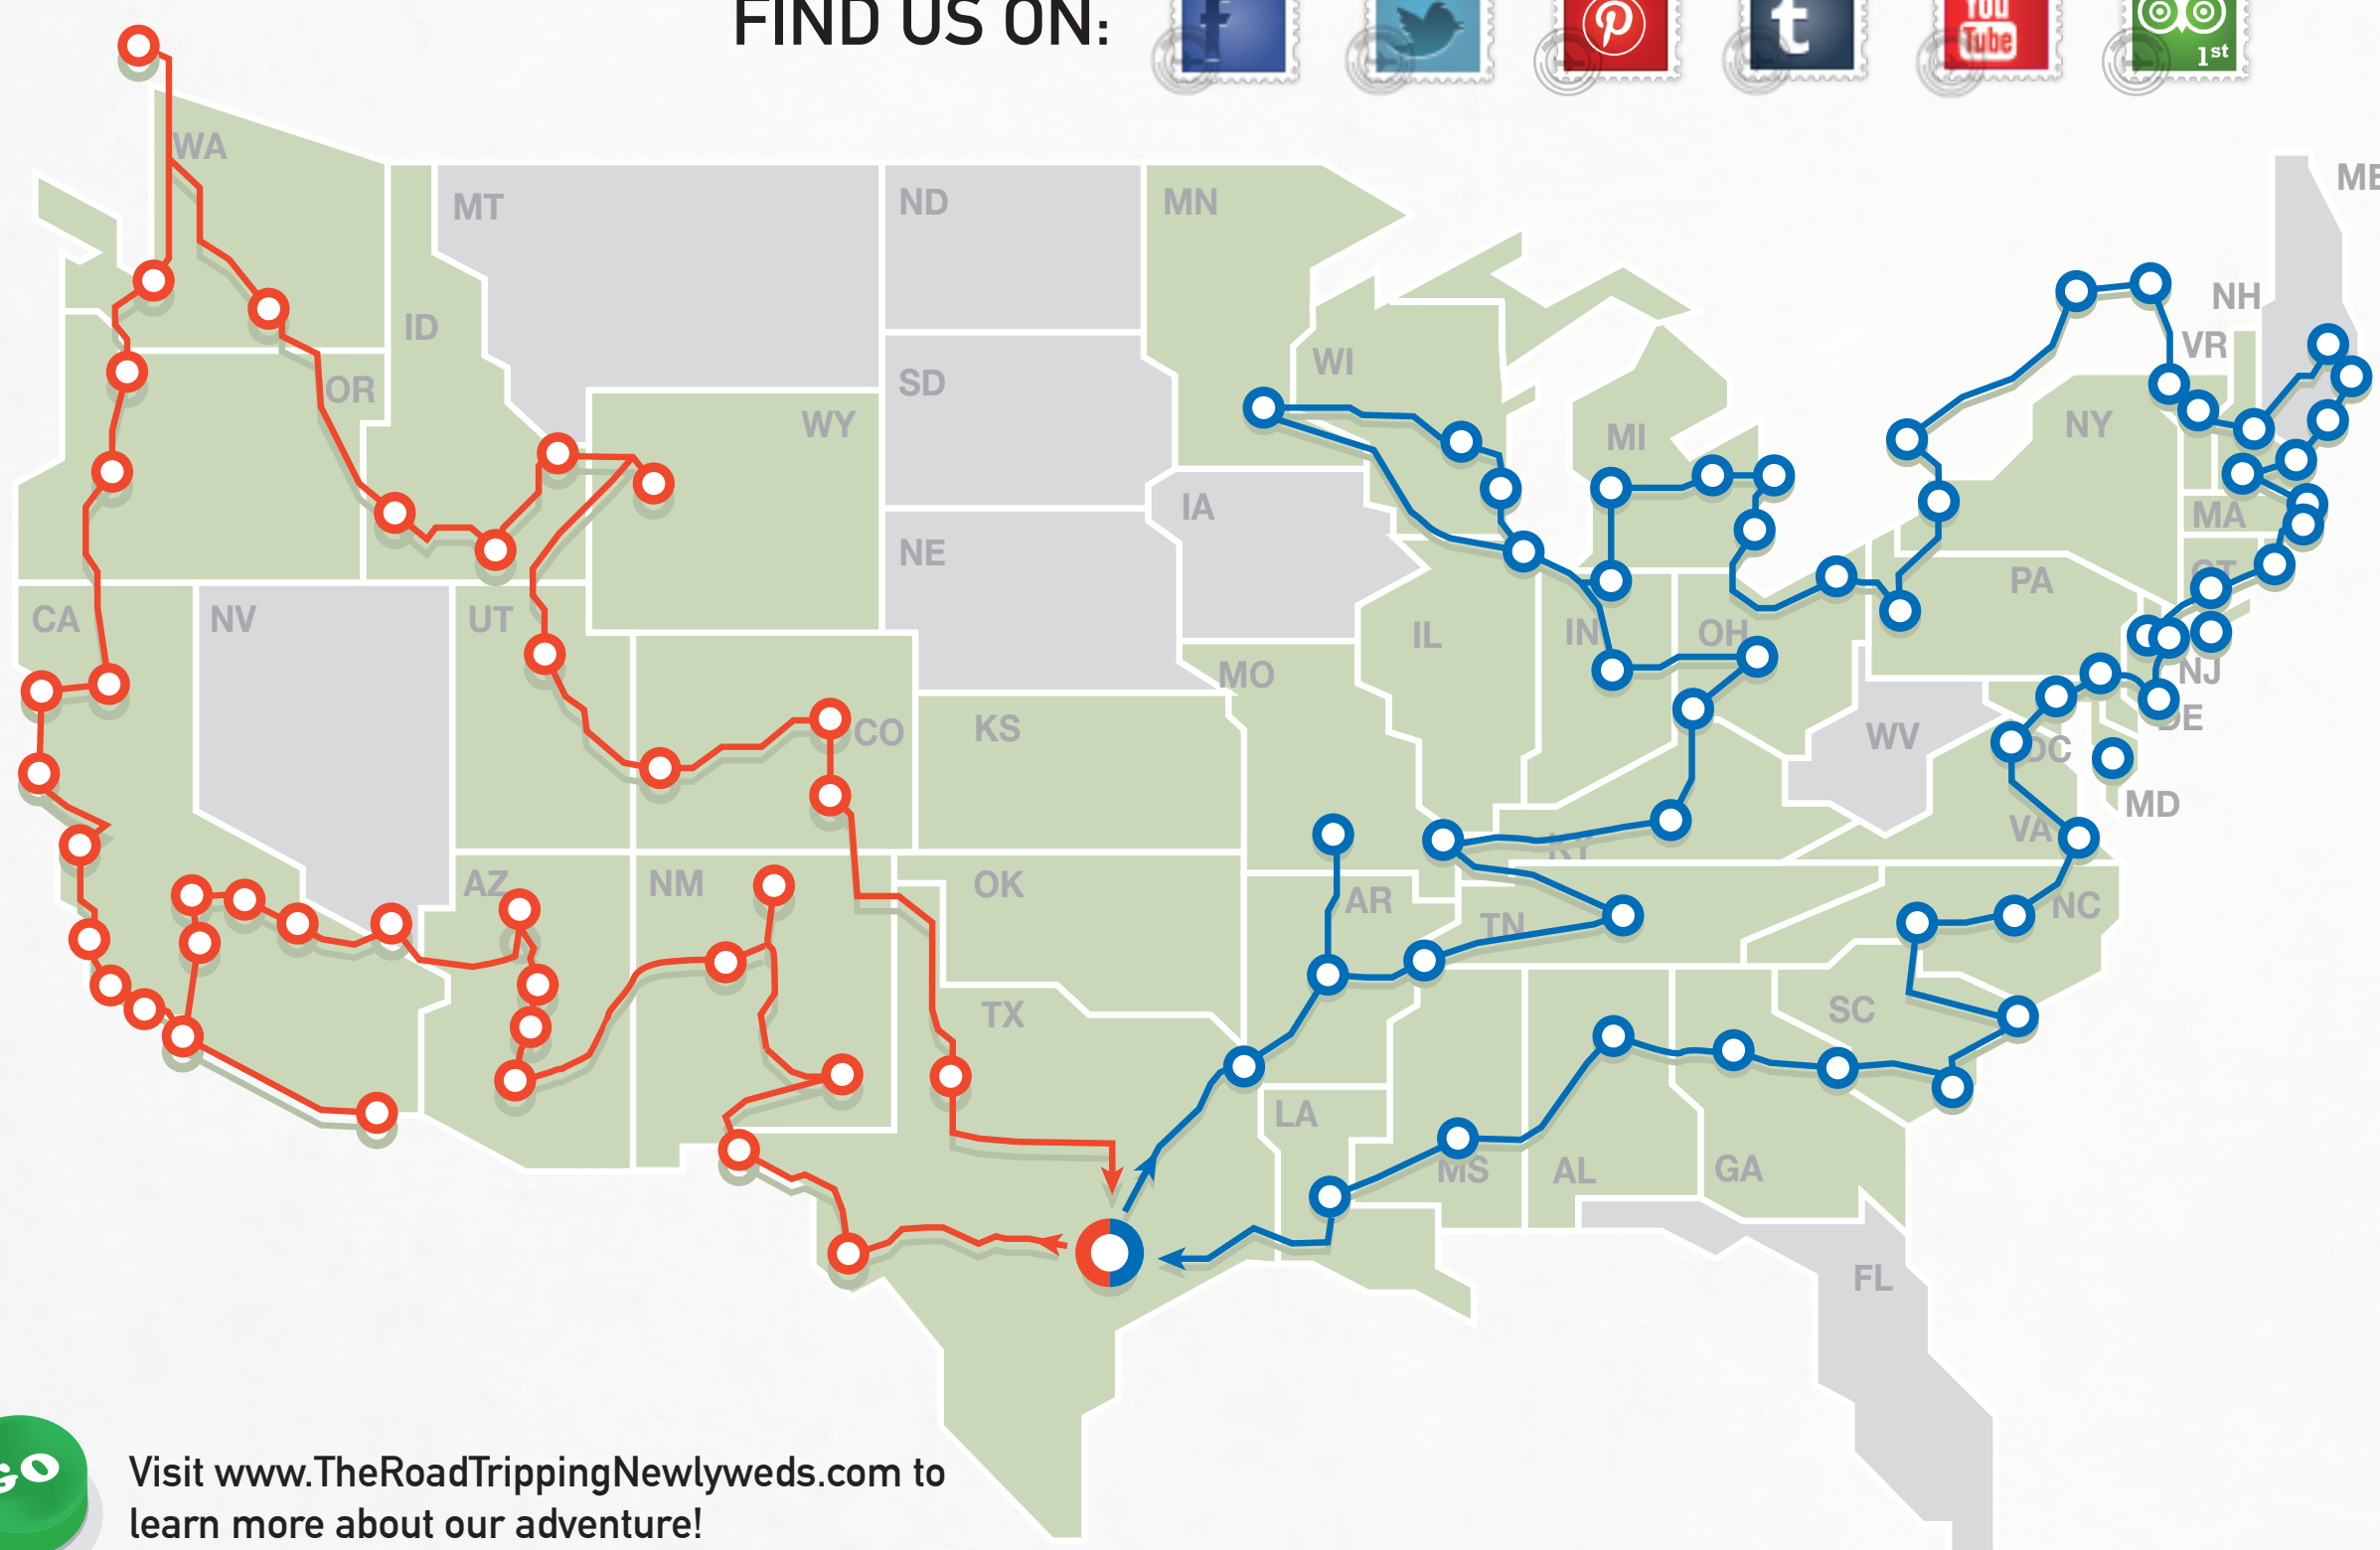

We're The Road Tripping Newlyweds and we welcome you to join us on our Hug-a-Nation quest as we spread the love by giving hugs to 1,000 people across the nation! In addition, we will also be giving out hand-made cards with inspirational phrases and quotes to hopefully make a person's day that much more special.

Starting August 12th, we will be traveling an estimated 500 days that includes road tripping 19,000+ miles in the USA divided between the Western and Eastern routes, touring Mexico for three weeks, country hopping Central and South America for the first quarter of 2016 and a final leg backpacking around Europe in the later months of 2016.

We are reaching out to you because we know that you would be a great sponsor to join us on this quest and would very much like to share some ideas we have on how it can be of value to you and prospective new customers for your brand.
